Memorial and Celebration Books—Donation Form

Donations to the CCS library can be made in memory of a loved one, in celebration of someone, or in recognition of a special event. With your generosity, we will add a new item to our collection and place a bookplate in the front of the book. The library will confirm receipt of your gift and will also send acknowledgement to the person of your choosing. Your gift in support of the library will be used and enjoyed by our CCS faculty and students for years to come.
